

# CAIO GOMES BRAGA

Mobile engineer

## PROFESSIONAL RESUME

Self-taught freelance programmer for 4 years with great **teamwork skills**. In 2021 I started to study **computer science** at the Federal University of Viçosa with the objective of expanding and perfecting my skills. I have technical education in computers and some work experience. I am currently looking for a job with more stability. My **professional goal** is to work as a **junior developer**. I have the ability to develop **web and mobile systems**.
